Formerly a merger of two firms, namely Maajar, Rwechungura, Nguluma & Makani (Advocates) and Epitome Advocates forming REX Attorneys, which in 2015 established the ENSafrica www.ensafrica.com presence in Tanzania to form part of the regional ENSafrica regional law firm. However, following the enactment of local content laws and regulations that restricts legal practice in certain sectors only to citizens of Tanzania or law firms fully owned by citizens and with head office in Tanzania, it became necessary to restructure the practice and again reverted to a firm that has no structural relationship with ENSafrica regional practice and changing the name to REX Advocates.

REX intends to rejoin the World Service Group Worldwide Network of professionals. Previously REX joined as part of the ENSafrica practice but now must rejoin as REX as it was the case prior to joining ENSafrica.
